

3000 Gateway Drive, Pompano Beach, FL 33069

## Instant Access to Alarm Information

### Sign up today for Online Monitoring Account Management

Leverage your investment and sign up to manage your fire alarm/intrusion account online. Bass-United offers a valuable online management portal that allows you to remotely view and update your alarm information from the convenience of your home or office.

There are many key benefits to online monitoring account management such as:

- Viewing alarm activity
- Viewing history
- Remotely put account on test
- Updating Open/Closing hours
- Updating contact information
- Updating phone numbers
- Online access can be restricted by user
- Email notifications for alarms and troubles
- Text message notifications for alarms and troubles

2 GIG Security Panels offer additional features such as configuring user access through the web. Please call for additional information if you are interested.

*Sign up today...* Start managing your system more effectively and upgrade today to online account management. Our online access is designed to help optimize your fire alarm/intrusion system. With Bass-United you can gain valuable insight into your system with the touch of a button.
